Welcome Back Swimmers!

We hope you're ready for a great new season of swimming in our brand new facility. This is our 25th anniversary year and we're looking forward to a terrific summer. Our Coaches are excited to have you back and eager to meet our new swimmers. Our head coach is Amie Piche, and our assistant coaches are Andrea Leroux and Brittany Gadzosa. All three of them have coached for us in the past and have all been competitive swimmers. Welcome to the Okotoks Summer Stingrays Silver Anniversary Season!

Trial Period

Please remember that during these first few weeks the coaches will be evaluating swimmers and there may be changes in swim times. If our coaches feel that a young swimmer is really not ready to take on the challenge of swim club this year they may ask your child to wait a year. If your child is not ready, or if they are not enjoying swim club and you withdraw during the first month your money will be refunded.

Club Records

Last season saw some new club records. Congratulations go to Skyler Potrie, Zoë Osborne and Tanner Potaka. Skyler now holds the boys 15-16, 50 metre freestyle, as well as the boys 15-16 200 metre IM records. Zoë Osborne earned the club record for girls 9 - 10, 25 metre fly, and Tanner Potaka has the Stingrays record for boys 6 and under, flutterboard. Congratulations!

Team Equipment

If you have not ordered your team suit or if you need flippers or goggles please see Dawn Stang as soon as possible. Dawn is our equipment manager and carries a wide range of team gear. She currently has swimmers in both swim times so she'll be at the pool a lot. You can call her at 995-0774
